

VOLUME 2

ACCELERATE

ADVANCING HVAC&R NATURALLY

EUROPE

Be visible in **Accelerate Europe!**

Accelerate, brought to you by the leading HVAC&R publisher shecco, is the first FREE online and print magazine for and about business leaders in natural refrigerants-based technology.

Published on a quarterly basis, *Accelerate Europe* reports about innovation, markets and technology trends in this fast growing market.

ADVERTISING BENEFITS:

- Reach customers within the European HVAC&R industry
- Showcase your latest products, services and projects
- Boost your brand awareness among key decision-makers

With single page ads starting from 2 500€ per issue, there is no better way to promote your unique natural refrigerant solutions.
