# ACCELERATE

ADVANCING HVAC&R NATURALLY

AUSTRALIA & NZ

Be visible in **Accelerate Australia & NZ!**

*Accelerate*, brought to you by the leading HVAC&R publisher shecco, is the first FREE online and print magazine for and about business leaders in natural refrigerant-based technology.

Published on a quarterly basis, *Accelerate Australia & New Zealand* reports about innovation, market and technology trends in this fast-growing market.

### **ADVERTISING BENEFITS:**

- Reach customers within the HVAC&R industry
- Showcase your latest products, services and projects
- Boost your brand awareness among key decision-makers

With single page ads starting from 2,800 AUD per issue, there is no better way to promote your unique natural refrigerant offerings.
